Sacraments at St. Mary

St. Mary Roman
Catholic Church

210 West Main Street
Manchester, MI 48158

Presided By:
Father Bosco

Sacraments are an eye-opening time in any growing Catholic's life. St. Mary is ready to support you with all of your sacramental needs.

Baptism

Baptisms are arranged through the Parish Office and Father Bosco. There are required classes that are tailored around the unique needs of the families. There is no cost for Baptisms.

Reconciliation and First Communion

Reconciliation and First Communion classes are taken during second grade or later. Classes and orientation begin in September. Classes are held for ninety minutes over the course of the school year. First Communion takes place in late April or early May during the 10:30 mass. Please contact Religious Education for the cost and schedule.

Confirmation

Confirmation takes place in eighth grade or later. Classes take place every two weeks online throughout the school year. Candidates are required to complete a Saint Report, 10 hours of Community Service, and an interview with Father Bosco. The ceremony takes place at the Cathedral in Lansing in May. Please contact Religious Education for the cost and schedule.

RCIA

RCIA is a program designed for adults who wish to participate in the sacraments and become full members of the church. Candidates are fully welcomed into the church during the Easter Vigil Mass each year. Please contact the Parish Office to arrange for classes.

Weddings

Wedding preparation classes and dates are arranged through the Parish Office. Classes are tailored to the unique needs of the couple.

Anointing of the Sick and Last Rights

Father Bosco is available to provide Anointing of the Sick or Last Rights, depending on the needs of your loved one. Please contact Father Bosco through the Parish Office to support you with this Sacrament.

Funerals

Funerals are arranged through the Parish Office. Father Bosco will be available to walk you through this challenging journey. The ladies in the Parish Office will help you handle the technical components of planning this day.
